

IILM UNIVERSITY

BBA 2026

The ILM Blueprint

OUR 'WHY'

Deep Purpose

To nurture **responsible leaders**, **compassionate innovators**, and **global citizens** who create inclusive, sustainable value for society. We do this by providing a **transformative, values-based learning** environment where human connection, entrepreneurial courage, and intelligent technology converge.

OUR 'WHAT'

Vision

To be India's most **innovative** university, preparing **leaders with purpose** for the opportunities of tomorrow.

OUR 'HOW'

Mission

To empower a **diverse community of learners** through **progressively** AI-integrated education, **emerging** research capabilities, and real-world experiences, fostering **innovation** and cultivating **human connection** to create **meaningful** solutions for India and **beyond**.

About the School of Management

Established in 1993, The School of Management at IILM University is committed to shaping future business leaders by providing a strong foundation in management education. Our programmes are designed to blend academic rigour with practical insights, fostering innovation, leadership, and an entrepreneurial mindset.

With an emphasis on experiential learning, global exposure, and industry-relevant skills, we empower students to thrive in the dynamic world of business. The curriculum incorporates cutting-edge business practices, real-world case studies, and internship opportunities, ensuring our graduates are well-equipped to tackle the challenges of modern management.

At the School of Management, we aim to cultivate a vibrant, collaborative learning environment that prepares students to drive meaningful change and achieve success in their professional endeavours.

Message from the Director's Desk

Dr Nihar Amoncar
Greater Noida

The IILM BBA is for young minds ready to explore, question, and grow. From the very beginning, you are encouraged to take decisions that shape your journey. With opportunities like global immersions, industry projects, and skill-building certifications, the programme blends academics with real-world learning.

Guided by faculty and industry mentors, you will develop the confidence to lead, innovate, and create your own path. Whether through entrepreneurial initiatives, social projects, or international exposure, the IILM BBA prepares you to become a responsible and future-ready professional.

Dr Ravi Kumar Jain
Gurugram

Our BBA programme redefines undergraduate education with flexibility, diverse concentrations, and deep technology integration. At its heart is cultivating an entrepreneurial mindset-encouraging innovation, experimentation, and leadership. Strong industry linkages ensure relevance, while distinctive social, corporate, and international immersion programmes broaden perspectives and build cultural agility. With a curriculum rooted in choice, rigor, and experiential learning, students gain creativity, resilience, and global awareness. This programme embodies the hallmarks of world-class undergraduate education: flexibility, relevance, immersion, entrepreneurship, and preparation for responsible leadership in an ever-changing global economy.
